

# BENEFITS & SOLUTIONS

With 63% of employees saying their financial stress has increased since the start of the pandemic (Source: PwC: 2021 Financial Wellness Survey), UKFCU is here to help you offer financial wellness benefits and solutions to your employees. UKFCU can provide educational lunch & learn seminars, on-site visits, attend health and benefit fairs, as well as offer your employees the financial products and services they need.

## Financial Literacy

UKFCU has a wide variety of financial literacy products and services available. We offer free seminars, podcasts and online learning through our Smart Money Center.

## Financial Services

UKFCU is with you through every stage of life. Whether you are looking for deposit accounts or loans, we have you covered. And as a not-for-profit, we can offer better rates and less fees.\*

## Health & Benefit Fairs

As you help your employees with their physical health and well-being, our goal is to help your employees be financially fit. We will happily join you for your health & benefit fairs.

Financial wellness is a workplace benefit that helps your employees fulfill their short-term and long-term goals—giving them the knowledge, skills, tools and resources to improve their financial well-being.

UKFCU offers the following "Lunch and Learn" seminars to help your employees succeed:

- Building a Budget for a Successful Financial Future
- Credit Scores • Debt Management
- Preparing your Finances for Home Ownership
- How to Build a Retirement Savings Plan
